Justified Junk out of Amherst – I'm nor fond of the name, but they are a small company, which we always like to support.
It is a husband and wife (Mike and Katie) who can sell what they can out of a barn they have in Amherst and split the profit 50/50, they also help pack and unpack, and help move.
Their number is 603-479-3880.

Right Sized Living - Jennifer Baker (I actually have not referred Jennifer to anyone yet, but she came to do a presentation and seems very nice.)
