MARKETING APPRECIATION WEEK

October 5th to October 9th

Marketing Appreciation Week is a special time to recognize the creativity, dedication, and heart that go into sharing our community's story. Marketing is more than brochures and tours, it's about building trust, fostering connections, and helping prospective residents and their families envision a vibrant, secure future.

Every day, our marketing team serves as the bridge between curiosity and belonging. They are the thoughtful guide who listen carefully to each individual's hopes and concerns. Through storytelling, events, and personal interactions, they bring our community to life in meaningful ways.

What makes marketing truly unique is its purpose-driven nature. It's not just about filling residences; it's about helping people make one of the most important decisions of their lives. Our marketing professionals approach this responsibility with empathy, patience, and integrity, ensuring that every person feels informed, respected, and supported.

During this week, we celebrate their ability to highlight what makes our community special: the friendships formed in shared spaces, the peace of mind that comes with comprehensive care, and the joy of living each day with purpose. Their work helps families feel confident and residents feel proud.

To our marketing team: thank you for your passion, your creativity, and your unwavering commitment to our community. Your efforts make a lasting difference, and this week, we proudly celebrate you.

"It is not joy that makes us grateful; it is gratitude that makes us joyful." – DAVID STEINDL-RAST

DID YOU KNOW?

Halloween (October 31st)

Halloween dates back more than **2,000 years!**

Its origins can be traced to the ancient Celtic festival of Samhain, which marked the end of the harvest season and the beginning of winter.

Over time, traditions from Samhain blended with Christian observances and eventually evolved into the Halloween celebrations we know today.

So, when you're enjoying your Halloween candy this year, you're taking part in a tradition with **thousands of years of history!**
